

Save2Build

Credit Building Savings Account

Save money and build your credit score with a Save2Build Account

How it works:

Justine Petersen,
makes a \$300
credit builder loan
available to you.

The proceeds of the
\$300 loan go into a
locked savings
account in your
name.

Make 12 monthly
payments of
approximately
\$29 each.

On-time
payments are
reported to
all 3 credit
bureaus.

After a year, you have saved \$300 to use towards
opening a secured credit card or other financial goals.
